1. For accounting professionals only. To subscribe to a Sage Accountant Solutions Pack and maintain access to the included products and features, you must be an accountant or bookkeeper providing professional accounting or bookkeeping services for multiple fee-paying clients. If at any time Sage determines that you are no longer eligible, your access to your subscribed Pack will be terminated. Certain Pack subscription limits apply: ~Sage Practice Management Consultant Packs are limited to one pack per firm each year; ~Sage Hybrid Desktop / Cloud Advisor Packs are limited to one pack per firm each year; and ~Sage Cloud Accountant Packs are limited to one pack per firm each year, add-ons unlimited.
2. For your accounting firm's use only. Visit [Sage One Accountant Edition](#) for additional details.
3. Sage One activation codes included in your Pack will expire one (1) year from date of purchase, and no refunds are available for unused activation codes. Sage One activation codes are available for registration by new Sage One customers only and may only be registered once. Upon registration of a Sage One activation code, the customer will be provided a twelve (12)-month subscription to Sage One from date of registration. Upon expiration of the twelve (12)-month subscription, to maintain access, the customer will be required to enter a valid credit card number (if one is not already on file with Sage) and will be charged the then-current [Sage One](#) monthly autorenewing retail price. Visit Sage One for additional details.
4. A valid credit card is required to subscribe to a Sage Accountant Solutions Pack. A twelve (12) month minimum commitment is required. Subsequent months will be automatically billed to the same credit card each month on your anniversary date of purchase. Subscription will automatically end after twelve (12) months from date of purchase.
5. A valid credit card is required to subscribe to a Sage Accountant Solutions Pack. One (1) year minimum commitment required. Subscription will automatically end after one (1) year from date of purchase.
6. For accounting professionals only. To subscribe to a Sage Accountant Solutions Pack and maintain access to the included products and features, you must be an accountant or bookkeeper providing professional accounting or bookkeeping services for multiple fee-paying clients. If at any time Sage determines that you are no longer eligible, your access to your subscribed Pack will be terminated. You must be a member of the Sage Partner Program to purchase Sage Practice Management Consultant Packs. Sage Practice Management Consultant Packs are limited to one pack per firm each year.
7. For your accounting firm's use only. The Starter Pack includes 2 Full User Licenses and 5 General User Licenses. Visit [Sage Live for Accountants](#) for additional details.
8. Sage Live Full User Licenses include use of all features available through the Mobile and Web interfaces, including admin and customization of Sage Live. Most suitable for Owner/CEO, CFO/accountant and Finance/Accounting, Sales Ops and other administrative teams. Sage Live activation codes included in your Pack will expire one (1) year from date of purchase, and no refunds are available for unused activation codes. Sage Live activation codes are available for registration by new Sage Live customers only and may only be registered once. Upon registration of a Sage Live activation code, the customer will be provided a twelve (12)-month subscription to Sage Live from date of registration. Upon expiration of the twelve (12)-month subscription, to maintain access, the customer will be required to enter a valid credit card number (if one is not already on file with Sage) and will be charged the then-current Sage Live monthly autorenewing retail price based on the number of Full User and General User licenses in use. Visit [Sage Live](#) for additional details.
9. For your accounting firm's use only. The Sage View base subscription rate is included in the Pack subscription price and includes five client business connections; additional client business connections are available for \$3.95 per month each if less than 50 connections, or only \$1.50 per month each if 50 or more connections. Client business connections to QuickBooks® desktop hosted versions by Cloud 9 are subject to separate terms and conditions, and additional fees. Visit [Sage View](#) for additional details.
10. For your accounting firm's use only. Visit [Sage Accountants Network](#) for additional details.
11. Sage 50 subscription included in your Pack must be activated within one (1) year from date of purchase. Sage 50 subscription is available for activation by a new Sage 50 customer only and may only be activated once. Upon activation of the subscription, the customer will be provided a twelve (12)-month subscription to Sage 50 from date of activation. Upon expiration of the twelve (12)-month subscription, to maintain access, the customer will be required to enter a valid credit card number (if one is not already on file with Sage) and will be charged the then-current Sage 50c Pro monthly autorenewing retail price. Additional features vary by solution and additional fees may apply. Visit [Sage 50](#) for additional details
